

Effective use of PE and Sport Funding

Palmers Cross Primary School 2016 - 2017

Overall Aim:

"Every child will enjoy increased participation in sporting activities and develop a healthier lifestyle."

Palmers Cross Primary School will use its Sports Premium Grant to improve P.E and Sports participation across the school and will promote healthy lifestyles for all children.

Palmers Cross Primary School will offer an increasing number of children the opportunity to *compete* for our school in an increasing number of Sporting events and improve the opportunity to develop the excellence of talented children.

The two main aspects that we will develop are:

- Improving the quality of teaching and learning in P.E and other relevant subject areas.

The school will use the Sports Premium grant to raise the standard of teaching and learning in PE, through input from specialist P.E coaches specialising in games; multi skills, football, racket sports etc....

Currently this provision is delivered by Soccer 2000. These specialist P.E teachers will be used to teach P.E across all three key stages each week. This will underpin progression and continuity of children's sporting skills.

- Increasing participation in sporting activities and high quality PE lessons for all

Increasing participation in sporting activities and local competition and encourage excellence in a wider variety of sports. Increasing the opportunities to take part in inter and intra -school competition will also raise levels of motivation and enthusiasm. The Sports Funding will fund

the costs of participation in competitions, but more importantly the ever increasing costs of transport to different venues.

This will be extended to the offer of an additional of two after school clubs (Soccer 2 000) for children in Key Stage 2 ahead of any selection to traditional school teams.
