

Sports Premium Action Plan 2020 – 2021

Overall Aim:

“Every child will enjoy increased participation in sporting activities and develop a healthier lifestyle.”

Palmers Cross Primary School will use its Sports Premium Grant to improve P.E and Sports participation across the school and will promote healthy lifestyles for all children.

Palmers Cross Primary School will offer an increasing number of children the opportunity to compete for our school in an increasing number of sporting events and improve the opportunity to develop the excellence of talented children.

The two main aspects that we will develop are:

- Improving the quality of teaching and learning in P.E and other relevant subject areas.

The school will use the Sports Premium grant to raise standard of teaching and learning in PE, through the input from specialist P.E coaches specialising in games; multi skills, football, racket sports etc...

The P.E teachers will be used to teach P.E across all three key stages each week. This will underpin progression and continuity of children’s sporting skills.

- Increasing participation in sporting activities and high quality PE lessons for all:

Increasing participation in sporting activities and local competitions (*when Covid restrictions allow*) and encourage excellence in a wider variety of sports. Increasing the opportunities to take part in inter and intra– school competitions (*when Covid restrictions allow*) will also raise level of motivation and enthusiasm. The Sports Funding will fund the costs of participation in school competitions, but when it is possible and safe to do so then this will support the cost of transport to venues.

**£1500 has been carried over from 2019-2020 for transport costs due to Covid. Therefore, this is additional funding from summer 2020*

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>High percentage of children participating in sport during lunchtimes and after school club.</p> <p>Outstanding performances individual and team sport achievements. Including representing school in the WASP events during Autumn 2019 and part of Spring term 2020.</p> <p>SEN involvement in SMILE festivals.</p>	<p>To raise the awareness of health and well-being across school and community.</p> <p>To find innovative ways in school during the Covid-19 pandemic of forming 'bubble' sports competitions, whilst still following social distancing rules.</p> <p>To invite outside clubs to widen the PE and school sport curriculum, whilst following social distancing rules.</p>

Meeting national curriculum requirements for swimming and water safety	
Percentage of current Year 6 cohort able to swim competently, confidently and proficiently over a distance of at least 25 meters?	9%
