

Year 4 Summer

Welcome back after the Easter break. We hope that you all had an enjoyable holiday and that you have spent much needed quality time with your family. Summer is a busy term full of learning!

English

In English children will continue to explore a range of genres including non-fiction writing as well as writing narratives. We will be developing key reading skills in our guided reading and our whole class reading sessions. Children will be developing a range of key writing skills which will include using a range of word choices, sentence variations and higher level of punctuation.

Maths

As mathematicians in year 4, children will be continuing to improve their learning by developing their reasoning and arithmetic skills, through the maths mastery approach. Alongside this, we will be focusing on practising for the times table check, that will take place in June. Children will be exposed to all times tables (2-12) and become more confident when recalling the answers.

Thematic

Our thematic units are cross-curricular, covering all the traditional subjects as well as more contemporary areas of study such as sustainability and well being.

Our first theme this term will be Under the canopy

“Under the canopy” is a thematic unit, which is based on the rainforest with a key focus on geography and history. Pupils are commissioned to work for a fictitious organization called ‘Roots’ in helping two adopted children find out

about their Mayan heritage. Through this project, they will learn about the importance of the rainforest.

PSHEe

Children will learn how to keep healthy and safe. They will learn about eating healthily, exercising, having good hygiene routines, staying safe in the sun, managing feelings and keeping safe in the world and on the internet.

Science

As scientists, children will study the digestive system in our Animals including

P.E

PE will be taught by Soccer 2000. This will take place on Tuesdays and Wednesdays.

Humans Topic. They will also continue to conduct scientific experiments	Please ensure full PE kit is worn.
