Our Environment

The Reception environment offers a spacious classroom that is well planned to provide access to learning that supports all areas of the curriculum.

We offer a spacious well equipped learning environment outdoors that allows us to continue our learning through our classroom doors. This environment is purely for our youngest members of our school community and provides our own entrance and exit to school.

Children have access to their own cloakroom and bathroom facility.

Characteristics of Effective Learning	
Playing and Exploring - Engagement	 <ul style="list-style-type: none">• Finding out and exploring• Playing with what I know• Being willing to 'have a go'
Active Learning - Motivation	 <ul style="list-style-type: none">• Being involved and concentrating• Keeping trying• Enjoying achieving what I set out to do
Creating and Thinking Critically - Thinking	 <ul style="list-style-type: none">• Having my own ideas• Making links• Choosing ways to do things

The characteristics of effective learning describe factors which play a central role in a pupil's learning and in becoming an effective learner. They are vital elements of support for the transition process from EYFS to year 1. The characteristics of effective learning run through and underpin all 7 areas of learning and development. They represent processes rather than outcomes.

Information about the pupil's characteristics of effective learning gives year 1 teachers vital background and context about their next stage of development and future learning needs.

Assessment of Learning in Reception

- ▶ Governments baselines during first half term completed with class teacher. Simple tasks completed under observation assessed against the development bands.
- ▶ Throughout Reception, as part of the learning and teaching process, each child's development is regularly assessed against Early Learning Goals and developmental age bands across the seven areas.
- ▶ The assessments are based on observations by the Reception team, knowledge of the whole child and discussions with parents. This is placed in the Teacher's Assessment file. Examples and steps of the children's learning is gathered together within key subject areas to create their own 'Learning Journey'.

- ▶ There are three parent consultation evenings throughout the year but please feel free to speak to us at any time if you have any queries.
